FINANCIAL POLICIES:

1. YOUR OBLIGATION TO PAY TUITION AND FEES.

The parent/guardian understands that once the financial contract has been submitted to Northaven Co-operative Preschool, the financial obligation to pay the \$500 registration fee and 100% of tuition and fees for the full academic year is unconditional and that on and after April 1, 2020 no portion of such financial obligation, paid or outstanding, will be transferred or canceled in the event of absence, withdrawal or dismissal from Northaven Co-operative Preschool, except as allowed under the school's Refund Policy (see #4 below).

2. LATE FEE = \$25.00 NSF/RETURNED CHECK FEE = \$30.00

If the student's account is not current, the parent agrees with the following policies: the School will not release transcripts or evaluations; the School will not issue an enrollment contract for the following year; the School will revoke a disused enrollment application for the following year; a \$25 late fee will be assessed after the 5th calendar day of the month; and the Student will be suspended from school if the account is two months in arrears

3. COMPLETED APPLICATION:

This completed application (pages 1 and 2) must be signed by both parents where indicated and submitted with your \$500 registration fee check for your enrollment application to be complete. The Financial Contract (page 8) must be completed, signed by both parents, and submitted with payment according to policy, in order to hold a place for your child for the 2020-2021 school year.

TUITION AND FINANCIAL POLICIES CONTINUED (2019-2020)

Please retain this sheet for your information

4. REFUND POLICY

Signing the enrollment contract is a promise to the school that you will pay the tuition in full, and fill a spot in one of our classes. Our budget is made each year based on the expectations of these contracts, and our school cannot survive if families do not fulfill their commitments. Most schools in our area have a no refund policy without exceptions. **However, the Board has determined that a tuition refund may be considered only under the circumstances identified below, and even then a refund is not guaranteed.**

A partial refund will be considered if:

1. The family moves to a different city, far enough away so that coming to school will be a hardship, **and the spot is filled by someone else.** Proof of new residence is required.
2. The parent removes the child from school because of a medical illness, disease, or chronic condition that makes it impossible for him or her to come to school, and a doctor's explanation is provided.
3. If the school terminates a child's enrollment, a prorated refund may be considered.

It is very important for parents to think carefully about their class choices. We understand that it is very hard to predict where a child may be developmentally months from the time the contract is signed. However, our school cannot afford to refund tuition because the parent(s) have changed their minds about placement, and a refund will not be issued in such a case.

Only the Board has the authority to decide a tuition refund request. If you would like to request a tuition refund, you must appear in person in front of the Board to explain your request. You may contact the Board President to make arrangements.

5. CONTINUED ENROLLMENT POLICY

Enrollment and continued attendance of each child are contingent upon the judgment of the teacher and Director that such attendance is appropriate, and of the Board of Directors that the family is fulfilling its co-op obligations. If, after consultation among the teacher, Director, and parent(s), it is decided by the Director that continued enrollment of a child does not meet the mutual best interests of the child and the class, a child's enrollment may be immediately terminated.

6. SCHOLARSHIP AID

The Co-op has a scholarship fund, which may be used by a family in need for full or partial tuition credit. A family may apply by writing a letter to the Director or Treasurer stating parents' names and place of employment, child's name and class, other family members, current tuition, relevant circumstance, and what scholarship aid is requested.

LATE ENROLLEE ALTERNATIVE PAYMENT PLAN

For students who apply and are admitted after 4/1/2020, your full Plan A tuition check and financial contract are due within 5 days of submitting your enrollment application and \$500 registration fee for a space to be held for your child. I (we) understand that by enrolling my (our) child for the school year that begins in September 2020, and by paying the non-refundable registration fee of \$500.00 a space will be reserved in the applicable class specifically for my (our) child. I (we) understand that enrolling my (our) child, executing this contract, and subsequently withdrawing will cause difficulty since student space cannot or may not be filled. I (we) recognize that Northaven Co-operative Preschool's budget is based largely on tuition revenues and contributions. Therefore, I (we) specifically agree that once my (our) child is enrolled and guaranteed a space, if my (our) child is withdrawn or dismissed for any reason, I am (we are) obligated to forfeit the \$500.00 non-refundable registration fee and pay 100% of any outstanding tuition and/or fees outlined in this contract, except as allowed under Northaven Co-operative Preschool's Refund Policy.
