Don't forget...Extended Day Payments are due THIS WEEK – February extended day payments are due. There were 4 Tuesdays and 4 Thursdays this month.

Fall Registration – Registration for next fall is going well. Unless Kathy has contacted you, everyone who has turned in a registration form and check has been registered. We are looking forward to another great school year. If you have friends or family who are considering the co-op, please send them by to take a look at our school. We still have some space available in Y4's, 2's & 3's and Y2's. Since we never know who might move away or drop out, wait list space is available for all classes.

Northaven Co-op Spring Carnival – SAVE THE DATE. The carnival will be held this year on Saturday, April 12th from 10-12. If you are signed up for the carnival committee, please look for an e-mail in the coming weeks for planning and committee meetings.

Summer Programs at Northaven – The summer program registration forms will be soon available at the front desk. The summer program is open to children aged two and up. Classes are offered from May 27 through the week of July 3rd.

Grand Day March 5

Mark your calendar for Northaven Co-op's second annual Grand Day celebration on Wednesday, March 5, during regular classroom hours. Grandparents and grown-up friends are invited for an informal visit of their favorite preschooler's classroom. They can see favorite toys and books, meet teachers and friends, enjoy the playground, and much more. Refreshments will be served. To remember the day, we will be making fun photo buttons free of charge from 9:30 to 11:30. Invitations will be distributed in the classrooms next week. You are welcome to request additional invitations to send to your guests. No classes are scheduled for March 5. Feel free to arrive and depart at any time within the schedule. **Invitations are attached!**

Parent Surveys - Watch your inboxes - we emailed you our annual parents survey, courtesy of the online company Survey Monkey. These confidential surveys provide the board with important information and assist us in our planning for next year. This is your chance to let us know what's going well and what we need to work on. Your input is greatly important to us - and the email survey will only take a few minutes to fill out. Thank you for your help!
